Printable Directions

When you follow the link below, you will be taken to our **2027 Campaign Pledge** page in Tithely. The page is not always intuitive, so we have provided these simple instructions to help you complete your pledge.

1. Select "Make a Pledge"

On the **2027 Campaign Pledge** page, select **Make a Pledge**.

If you already have a Tithely account, we recommend signing in first. This will allow you to return later and review your pledge information.

You may also complete a pledge without signing in. If you need help reviewing your pledge later, you may contact the church office.

2. Enter Your Total 2027 Pledge

Under **Total Pledge Amount**, enter the **total amount you plan to give for the entire year of 2027**.

For example:

If you plan to give **\$1,200 during 2027**, enter:
\$1,200

3. Select Your Giving Frequency

Next, Tithely will ask:

"Select the frequency at which you plan to donate towards your pledge."

Choose the schedule that best reflects how you plan to give toward your annual commitment.

Options may include:

- Weekly
- Biweekly
- Monthly
- Twice monthly
- Custom

Tithely will use your annual pledge amount and the frequency you select to calculate your planned gifts throughout the year.

4. Change the Pledge Dates

This step is especially important.

Enter Your Total Pledge Amount

Enter your contact information

Tithely will ask you to **choose dates to start and end your pledge.**

Please use:

Start Date: January 1, 2027

End Date: December 31, 2027

The start date may automatically default to today's date, so be sure to change it to **January 1, 2027.**

5. Leave "Today's Gift" at \$0 Unless You Want to Give an Additional Gift

Tithely will then ask:

"Select the amount you would like to give today alongside your pledge."

You do **not** need to make a gift today in order to create your 2027 pledge.

You may leave this amount at: **\$0**

Any gift made during 2026 cannot be counted toward your 2027 pledge.

6. Review Your Pledge Plan

Continue scrolling until you see **Your Pledge Plan.** Review the information carefully before submitting. For example, a **\$1,200 annual pledge** beginning January 1, 2027 and ending December 31, 2027, with a weekly frequency, may display something similar to:

Total Pledge Amount: \$1,200

Today's Gift: \$0

Giving Frequency: Weekly

Start Date: January 1, 2027

End Date: December 31, 2027

Planned Weekly Amount: approximately \$22.65

Tithely will calculate the individual gift amounts based on the dates and frequency you selected.

7. Select "Create My Pledge"

Once you have reviewed your information and everything looks correct, select:

Create My Pledge

Your 2027 stewardship commitment will then be recorded.

The screenshot shows the Tithely pledge creation interface. At the top, there's a section titled "Choose dates to start and end your pledge" with two date pickers: "Start Date" set to "Jan 1, 2027" and "End Date" set to "Dec 31, 2027". Below this is a section titled "Select the amount you would like to give today alongside your pledge" with four buttons: "\$0.00" (selected), "\$45.30", "\$67.95", and "Custom". Underneath is a box titled "Your Pledge Plan" containing a table with the following information:

Total Pledge Amount	\$1,200.00
Today's Gift Toward Your Pledge	\$0.00
Gift Frequency Starting on 1/1/2027 and Ending 12/31/2027	\$22.65 / Weekly

At the bottom of the form is a large button labeled "Create My Pledge".
